

The Two Cultures: An Overview. Syed Alwi Shahab. [*Akademika 5*](#) (1974)

ABSTRAK

Penulis membincangkan pendapat beberapa penulis berkenaan dengan timbulnya dua budaya sebagai akibat dari perkembangan sains dan teknologi dewasa ini. Perkembangan tersebut menimbulkan dua golongan manusia yang tidak memahami satu sama lain: golongan pakar sains dan teknologi dan golongan sasterawan dan seniman. Hujjah-hujjah kedua pihak juga dibincangkan.

ABSTRACT

The writer discusses several writers' opinions concerning the crystalization of two cultures as a result of the recent development of science and technology, which had separated two groups of people in the society hardly understand each other, i.e. the scientists and technologists on the other hand and literary men and artists on the other. Arguments of both sided are also discussed.
